From the Principal's Pen

Well, another week has passed us by. It is an increasingly busy time of year for teachers and students with final assessment tasks taking place, teachers writing reports and end of year activities being planned.
Earlier this week, Mr Dean Gillett came to visit. Dean will be our Assistant Principal Curriculum and Instruction from the beginning of 2022. Twinkles, the staff and students all gave him a very warm welcome.

We are hoping to plan an excursion to the bowling club towards the end of this term. Students have been doing lawn bowls for sport and would love to try their skills on a real bowling green. As soon as arrangements are finalised, a note will be sent home.
Just a reminder that our presentation will be taking place on Tuesday. Please refer to the note previously sent about arrangements for this event. If it rains, we will need to hold it indoors, however, we will record it and send home a copy of proceedings.
Next Thursday, all Year 2 students will again be visiting Glen Innes Public School for transition. Please ensure that your child is dropped off and picked up at the usual time and place. Please contact Mrs Watters or I if there are any problems with this arrangement.
Student reports will be sent home on Monday 13th December. If you wish to discuss your child's report with their teacher, you will have until Thursday 16th December to do so, please call the school to organise an appointment. Thursday 16th December is the last day of school for 2021. Kindergarten 2022 have Best Start testing on the 1st and 2nd of February 2022. Years 1 & 2 2022 all return on Tuesday 1st February.

Try and keep dry,

Attendance Tip of the Week

Teach your child that attending School is non-negotiable unless they are truly sick. Identify non-academic activities (e.g., dance, sport etc.) that can help motivate your child's interest in School and learning.

Kindergarten attendance was much improved last week. Well done, I hope Twinkles enjoyed maths activities.

Parenting Tip of the Week

Unconditional love is when our children know they are loved, not because of what they do, or don't do, but because they are our child.

Top Tips

1. Tell them they are loved, simply because they are your child. Not because of what they do or don't do.
2. Set a goal to never end the day without letting them know they are loved. If they have misbehaved, it's important to remind them they are still loved.
3. Write how you feel in cards, notes, emails and text messages. Say it out of the blue when they least expect it and watch them light up.
