From the Principals Pen

Congratulations to all the students at Glen Innes West Infants School for a successful start to 2024! It's truly inspiring to hear about the many highlights of this term, from captivating visiting performances to collaborative events such as the ANZAC Day Commemorations and the fabulous Easter Hat parade. These events were undoubtedly made great by the sense of community spirit and the unwavering support from families, friends, and the broader community.

A special congratulations is in order for all the students for their dedication to learning, bravery in facing new challenges, and pride in completing tasks. It's heartening to witness the progress of our kindergarten students as they embark on their reading journey, the rapid growth and strong bonds formed by our year ones, and the development of independence and leadership qualities in our year twos.

A heartfelt thank you goes out to all the parents and families for their ongoing support, whether it's assisting with daily reading or ensuring their children are prepared and ready to learn each day. Your contributions may seem like everyday tasks, but they are truly appreciated and instrumental in the success of our students.

As we come to the end of this term, I extend warm wishes to all our families, students, staff, and the wider community for a happy, safe, and fun-filled holiday break. I eagerly anticipate the opportunities for further growth and success that the coming term will bring. Together, let's continue to foster a nurturing and supportive environment where every student can thrive and reach their full potential. Here's to a bright future ahead!

Regards

Principal
