Principal's News

Term 3 has been huge for Glen Innes West Infants School this year! We started the term with book Fair raising over \$1300 in total and gaining \$300 worth of books for our library! I would like to thank our school community for again coming together and purchasing from the fair to support our school.

We also had the utter pleasure of hosting the Small Schools Alliance NAIDOC Day Celebrations. This saw Deepwater, Red Range, Wyaliba and Glen Innes Preschool come together to learn about country and culture. We were grateful for the support of Woolworths Glen Innes in supplying the BBQ lunch for the event and for Karen Potter's support in providing our students with traditional art and dance experiences.

As if these events were not enough, we also threw in a Small School's Disco and Book Week! These were highly successful events for our students, with the highlight being the book parade and all the wonderful characters that emerged from our students and staff. Though we may be small we are without doubt mighty in opportunities for our students!

The P and C have also made an extremely generous donation this term of \$1000 to update our signage. This is an exciting opportunity for our school to demonstrate even at street level what a dynamic and progressive school Glen Innes West Infants has become!

Transition also begins this term! We have our amazing year 2 leaders spending time in their 2025 schools and our 2025 kindergarten families starting their transition to Glen Innes West Infants. We love adding to our West Glen family and we can not wait to add our new little ones to the family tree!

Principal

Nic McKean
